Revise Rejected Service Report

SAMPLE REPORT

Message from the Manuscript Reviewer

• • •

Thank you for choosing Enago to assist you in revising your paper. I have carefully reviewed your manuscript and have performed a comprehensive evaluation. Based on the reviewer comments, I have made changes to the manuscript and have rewritten responses to reflect the same.

In this report, I have listed down all the major and minor changes made to the manuscript, enhancements that can be made to further strengthen the study, and next steps.

Delivery Checklist

Items	Status
Revise Rejected Service Report	**Delivered**

Manuscript Details

Assignment Code	ABCDE-1	Number of Tables and Figures	7

Journal Name and URL	Indian Geotechnical Journal http://www.springer.com/engineering/civil+engineering/journal/40098?detailsPage=pltci_2063510

List of Major Changes

- There were three comments from the Reviewer-1 (Only one Reviewer), asking some explanation. The authors have responded well and added the necessary text in the revised manuscript.
- The responses to the Reviewer are appropriate and optimal.
- References needed reformatting according to the requirements of the Journal. This has been addressed in the manuscript.
- I have edited the Cover Letter, for proper presentation and resubmission of the revised manuscript.
- All the Responses to the Reviewer are edited for better English.
- Manuscript needed some re-organization of sub-headers; I have completed this and now the manuscript is organized as per the instructions of the Journal.
- Figure 1 legend needed some re-ordering of the panel descriptions and it is now done.
- Please note that we have added line numbers in the manuscript in order to refer to the locations wherein changes were incorporated with respect to the reviewer's comments.

List of Minor Changes

- I have edited the newly inserted text for proper presentation and grammar.
- The previous original text also needed few minor edits for grammar and syntax, and I corrected all of them.

Note that our experts have taken utmost care during submission of your manuscript and we guarantee service quality. However, document acceptance/rejection is solely based on the journal's discretion.

Next Steps

- All the necessary revision to the original manuscript has been done by the Authors.
- All the needed editing, re-organization and re-formatting are done. Please ensure at your end in case you come across any changes that need to be addressed by us.
- Authors only need to verify the changes and edits made and accept all the track changes and submit the clean version along with the Cover letter and Responses to Reviewer Comments.
